12 TEDDY LEROY WILSON, Jr., CDCR) Case No. 06cv2420-WQH (BLM)
13 #78443,)
14 Plaintiff,) **ORDER GRANTING MOTION**
15 v.) **REQUESTING EXTENSION OF TIME**
16 ISMAEL BRIZYELA, et al.,) **TO RESPOND**
17 Defendants.) **[Doc. No. 29]**

18 On August 3, 2007, Plaintiff filed a request seeking additional
19 time to oppose Defendants' motion to dismiss. Doc. No. 29. Therein
20 Plaintiff alleges that he has been unable to prepare an opposition
21 because the prison law library has been closed for two months and he has
22 been unable to obtain access to legal materials. Id. The prison
23 librarian did inform him, however, that if he requests specific
24 materials, she can photocopy them and send him the materials. As such,
25 it appears Plaintiff will now have access to legal materials.

26 In light of this request, the Court finds good cause to **GRANT**
27 Plaintiff's motion for a limited extension of time to oppose Defendants'
28 motion to dismiss. Plaintiff, therefore, shall file his opposition on

1 or before October 9, 2007. Defendants shall file their reply, if any,
2 on or before October 23, 2007. The hearing date is hereby continued to
3 October 30, 2007 at 9:00 a.m. However, *unless the Court directs*
4 *otherwise in advance, pursuant to Local Rule 7.1(d)(1), the matter will*
5 *be resolved without oral argument and no personal appearances are*
6 *required on October 30, 2007 at 9:00 a.m.*

7 **IT IS SO ORDERED.**
